From the editor

It is with much trepidation that I bring you this Autumns Newsletter. There are lots of items which I hope will be of use to you and your patients. This will be my first attempt at editing and it is a steep learning curve! You will notice there are various pieces enticing you to contribute to the Newsletter. If you haven't done anything like this before then give it a go, you can always contact me or Carol Fulton, the sub-editor, if you want some encouragement! There is a lot going on in our different areas, so we are aiming to get some feedback from you!

Thank you to all those members who have written items for this issue and also to the team of volunteers who are helping with the next one. Also, I need to say an enormous thank you to Anna who, as I am sure you will all agree, has made this Newsletter so useful and informative.

Take a few moments out of your busy schedules, have a cup of tea and a mince pie and enjoy this issue!

Happy Christmas and a peaceful New Year.

Best Wishes,
Sarah Prideaux
